

Families of American Israeli hostages held in Gaza met yesterday with Qatari Minister of State, Dr. Mohammed bin Abdulaziz Al-Khulaifi, on the sidelines of the UNGA. Dr Al-Khulaifi heads the Qatari negotiation team. The families stressed the urgent need to secure an agreement that will immediately release their loved ones and bring them home to their families. They also expressed their gratitude for Qatar's continued mediation efforts. Dr. Al-Khulaifi affirmed Qatar's enduring commitment to resolving this humanitarian crisis, ending the violence and bringing home all of the hostages.

Yael Alexander.

Yael is the mother of Edan, a 20 year-old American member of the IDF who was stationed near Gaza on October 7. He recently graduated high school in New Jersey, and enjoyed swimming and Boy Scouts growing up

Ronen Neutra is the father of Omer, a 22 year-old American member of the IDF who was in a tank defending the Gaza border on October 7. He grew up on Long Island, New York and deferred his studies at the University of Binghamton to serve in the IDF. Omer was the Ronen regional president of United Synagogue Youth and the captain of many sports teams.
