United States & Qatar's Long Term Energy Partnership

\$800 billion

export revenues over project life,
reducing U.S. trade deficit

\$30 billion
infrastructure investments

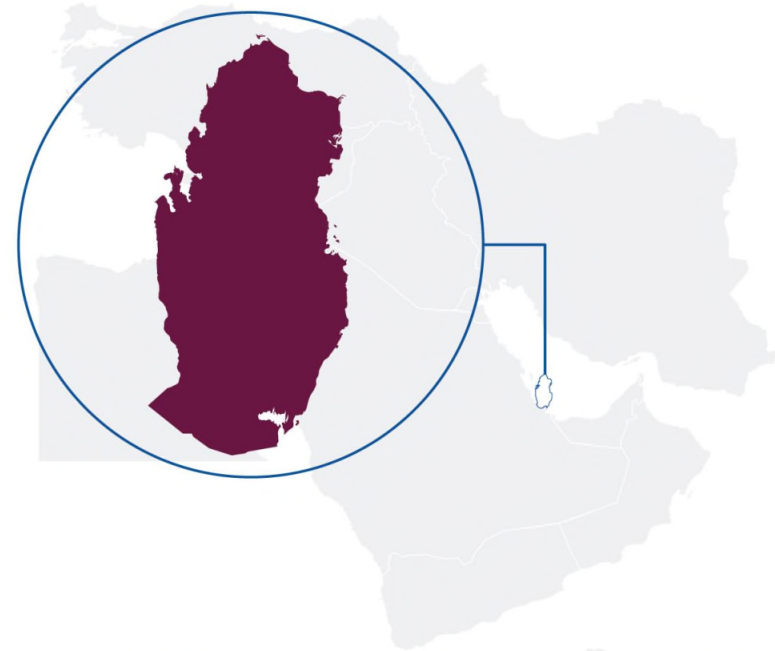

47,000
total construction jobs

\$400 billion
Value of LNG bought over Golden Pass project life

Top 3 Buyer of U.S. LNG
 **12+ MTPA**
From Golden Pass

\$675 billion

U.S. companies' future revenues from
energy projects in Qatar over 30 years

\$625 billion

U.S. oil and gas companies' revenues
from 15 projects over 30 years

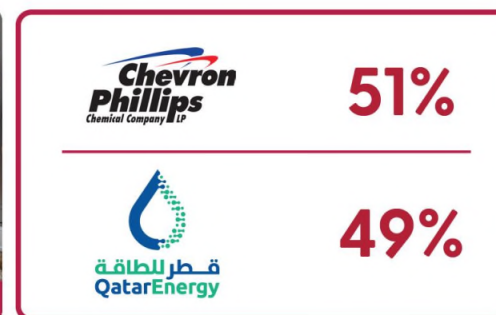

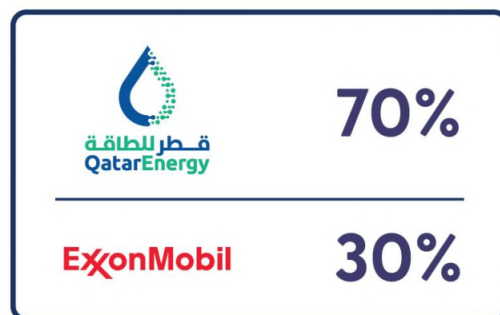

\$50 billion

U.S. service companies' future revenues

Golden Pass LNG & Golden Triangle Polymers

18+ MTPA LNG
 enough gas for **40 million**
 EU households

\$580 billion
 export revenues
 over project life

\$220 billion
 export revenues
 over project life

**2 MTPA
 Polymers**
 enough to produce **30 million**
bulk containers, every year

32,000
 construction jobs

15,000
 construction jobs

Steel  + Concrete  = **6** 
 82,000 tons 375,000 cubic yards Empire State Buildings

Steel  + Concrete  = **4** 
 51,000 tons 208,000 cubic yards Empire State Buildings
