

# Exploring Collaboration/Partnership with Lviv Region/State

# Lviv Region

The Lviv region is located in Western part of Ukraine, on the border with Poland. It consists of 1,840 settlements, including cities, urban-type settlements, and villages.

**2 478**

Million, total  
population

**21 833**

Km2, total  
area

**10**

Border crossing  
points

**5**

Transport  
corridors

# AREAS FOR COOPERATION

## ENERGY

**95** renewable energy facilities

**447 863** mw

## HEALTHCARE

University hospital

Rehabilitation centers

## CULTURE

Performances

Youth capital of Europe

## AGRICULTURE

**1342** agricultural Enterprises  
**787** farm enterprises  
**278k** individual farm households

## IT

**617** representative offices  
**22** institutions with IT faculties  
**51k** IT specialists

## IRON LVIV

**65** companies  
- Robotics  
- Electronics  
- Radio  
- etc

## AREAS FOR COOPERATION

# ENERGY

**EDUCATION  
AND TRAINING**

**RESEARCH AND  
DEVELOPMENT**

**INFRASTRUCTURE  
INVESTMENT**

**BUSINESS FORUMS AND  
KNOWLEDGE EXCHANGE**

### **POTENTIAL**

One of the largest centers of oil and gas production in Ukraine

Large areas for the development of bioenergy projects

Great biomass production potential

## AREAS FOR COOPERATION

# HEALTHCARE

EDUCATION  
AND TRAINING

RESEARCH AND  
INNOVATION

SUPERHUMANS

UNBROKEN

### POTENTIAL

Lviv is home to two major rehabilitation centers specializing in advanced prosthetic techniques, reconstructive surgery, and burn trauma treatment. This offers tremendous potential for collaborative growth.

# AREAS FOR COOPERATION

## CULTURE

**LVIV REGION IS OPEN TO  
CREATIVE COLLABORATIONS**

**CRAFTSMANSHIP  
SHOWCASES**

**PERFORMANCES**

**EXHIBITIONS**

**EVENTS**

**ART PROGRAMS**

### POTENTIAL

The European Youth Forum has named Lviv, the largest city in western Ukraine, as the "European Youth Capital 2025."

# AREAS FOR COOPERATION

## AGRICULTURE

### EDUCATION AND TRAINING

Exchange programs for professionals and students in sustainable agriculture and innovation

### RESEARCH AND DEVELOPMENT

Collaborative research projects

Supporting startups focused on agri-tech innovation through mentorship and funding program

### POTENTIAL

Close proximity to European markets and access to transportation networks, significant opportunities for export, a skilled workforce in agriculture and increasing focus on innovative solutions

# AREAS FOR COOPERATION

**JOINT TRAINING PROGRAMS, EXCHANGE**

**INCUBATION CENTERS AND ACCELERATORS**

**JOINT R&D PROJECTS AND INVESTMENT**

**CYBERSECURITY DEVELOPMENT**

## **POTENTIAL**

A growing number of startups, innovation hubs, and tech incubators

Strong ties with local universities ensure a steady pipeline of skilled IT professionals

## AREAS FOR COOPERATION

# IRON LVIV

## R&D PROJECTS

**COLLABORATE ON DEVELOPING CUTTING-EDGE TECHNOLOGIES, INCLUDING UNMANNED SYSTEMS, CYBER DEFENSE TOOLS, ADVANCED ROBOTICS AND ELECTRONIC WARFARE SYSTEMS**

## POTENTIAL

Engineers and developers create solutions directly shaped by the demands of active combat, highly skilled workforce combines expertise in IT, engineering and defense

# WE INVITE YOU TO COLLABORATE

on various projects aimed at

EDUCATION  
AND TRAINING

RESEARCH AND  
DEVELOPMENT

CYBERSECURITY  
DEVELOPMENT

INFRASTRUCTURE  
INVESTMENT

CREATIVE  
PROGRAMS

JOINT R&D  
PROJECTS
