

Armenia News Roundup: November 2025
Covering Analysis, Commentary & Geopolitical Realities

Below is a compilation of news stories and social media reports on the persecution of the Armenian Apostolic Church (in Armenia) from the past month.

We would like to draw your attention to our [Briefing on Repression of Christianity in Armenia](#) held November 20th on Capitol Hill, sponsored by National Democratic Alliance (of Armenia). International legal and humanitarian experts with extensive knowledge of the situation in Armenia spoke on the reality of the authoritarian rise of Prime Minister Pashinyan and his government's illegal repression of Church leaders. Experts included Dr. Peter Flew, Lauren Homer, Corentin Clerc, and Dr. Joel Veldkamp.

If you have limited time, our top recommendations are the three links below. The rest of the month's salient news is provided below.
