 KIPEC Focus: Expert Interview - New Episode Released!

One of KIPEC's key programs, KIPEC Focus: Expert Interview, presents in-depth conversations with leading experts to explore key developments in the United States.

 In our third interview, we speak with [John Dotson](#), Director of [Global Taiwan Institute](#), to discuss Taiwan Strait dynamics and South Korea's strategic options in an evolving security environment.

 Watch the full interview on the KIPEC YouTube channel:
