<ROK National Assembly Members – Former U.S. Members of Congress Roundtable>

A roundtable was held at KIPEC with visiting members of the Korea–U.S. Parliamentarians' Union from the ROK National Assembly and former Members of the U.S. Congress.

The discussion focused on the future direction of the ROK–U.S. alliance and explored ways to further strengthen inter-parliamentary cooperation between the two countries.

We would like to extend our sincere appreciation to the Association of Former Members of Congress (FMC) for organizing this event.
