 Upcoming KIPEC Seminar

The Korea Inter-Parliamentary Exchange Center (KIPEC) invites you to join our upcoming seminar:

"Critical Minerals and the Future of Korean Industry"

 Date & Time: Tuesday, July 7, 2026 | 10:00–11:00 AM EDT

 Location: KIPEC Office
1660 L Street NW, Suite 1050, Washington, DC 20036

 Featured Speaker

Meredith Schwartz

Associate Fellow, Critical Minerals Security Program
CSIS

This seminar will examine how evolving critical mineral supply chains are affecting South Korea's battery, semiconductor, and clean energy industries, while exploring opportunities for enhanced U.S.-ROK cooperation in strengthening supply chain resilience and critical mineral security.
