On July 16, KIEPC was honored to co-host a special reception celebrating the 250th anniversary of the United States with [The Korea Society](#) and [Korea Defense Veterans Association](#) (KDVA) at Samsung Washington, D.C.

The evening brought together leaders and stakeholders from across the U.S.-ROK community, reflecting our shared commitment to strengthening the alliance between our two countries.

Our sincere thanks to The Korea Society, KDVA, Samsung Washington, D.C., as well as Nerd Makgeolli and AtkinsRéalis for their partnership, hospitality, and generous support in making this celebration possible.

We are grateful to everyone who joined us in celebrating this historic milestone and the enduring friendship between the United States and the Republic of Korea!
