📢 Upcoming KIPEC Seminar

The Korea Inter-Parliamentary Exchange Center (KIPEC) invites you to join our upcoming seminar:

"Strengthening U.S.–ROK Energy Security Cooperation: Challenges and Opportunities"

🗓️ Date & Time: Wednesday, November 18, 2026 | 10:00 AM–11:00 AM EDT
📍 Location: KIPEC Office
1660 L Street NW, Suite 1050, Washington, DC 20036

🎤 Featured Speaker
Jane Nakano
Senior Fellow, Energy Security and Climate Change Program
Center for Strategic and International Studies (CSIS)

As geopolitical uncertainty and shifting global energy markets continue to reshape energy security priorities, strengthening energy cooperation has become increasingly important for both the United States and South Korea.

Join us for a discussion on the future of U.S.–ROK energy security cooperation, including energy supply chains, liquefied natural gas (LNG), nuclear energy, critical minerals, and strategies for enhancing energy resilience.

The seminar will also explore key challenges and opportunities for bilateral cooperation in addressing evolving energy security risks and strengthening long-term energy stability.
