Appendix Response to Item 8

Item 8: Describe fully the nature and method of performance of the above indicated agreement or understanding.

The media campaign executed by Irismedia for the "Gran Madrid" promotional initiative was funded and directed by the Comunidad de Madrid, a regional government entity of Spain, which allocated public funds to promote Madrid's cultural and tourism offerings to U.S. and Mexican audiences. Specifically, the regional government invested approximately 400,000 euros to secure broadcast and digital exposure of the Hispanic Heritage festival and region as a destination through Univision's platforms, with thematic content and strategic messaging designed to highlight Madrid during key cultural events such as Hispanic Heritage Month. This financial sponsorship and strategic direction of campaign content by the Comunidad de Madrid demonstrates that Irismedia's promotional activities were undertaken under the supervision and control of the foreign principal in line with Madrid's international tourism objectives.
