Exhibit B to Registration Statement

5. Each item checked above must be explained below in full detail together with, where appropriate, specific reference to and identity of the item in the registration statement to which it pertains.

In response to technical problems preventing access to the FARA Unit's e-File system last December, Putala Strategies LLC ("Registrant") was granted a two-week extension of time to register for its representation of the Romanian-American Strategic Advancement Initiative. This amendment to Registrant's Exhibit B discloses Registrant's activities (item 11), receipts (item 12), and disbursements (item 13) occurring on, or prior to, the date its registration documents were formally accepted (i.e., on December 12, 2025), and which therefore could not be included in Registrant's first Supplemental Statement because the software program for filing the Supplemental Statement does not permit entries for information occurring prior to the formal registration date.
