Subject: Official Invitation to the Houston–Botswana Investment and Partnership Forum 2025

Your Excellency,

It is with great respect and sincere appreciation that I extend an official invitation for you to visit Houston and attend the Houston–Botswana Investment and Partnership Forum 2026, to be held from January 5–7, 2026, in Houston, Texas.

As state representative of House district 27, I support this important initiative led by Dr Farzam Kamalabadi, Presidential Envoy of the Republic of Botswana and his collaborator Mr. Roger Boissy, the executive Director of the Global Atlantic Consulting. I welcome all visiting delegates from Botswana who are participating in this vital investment forum, to explore business opportunities, learn more about Texas's dynamic economy and highlight commercial prospects in Botswana.

Texas has historically offered activities, organizations and services that are reflective of our diverse ethnic and cultural makeup, and Mr. Roger Boissy along with his colleagues continue in that tradition. The success of this trade mission will require a significant commitment the part of many people and I commend those who are working so hard to foster positive economic dialogue and international relations. Texas has so much to offer, and I hope you will share in the Houston experience by visiting a few of our world-class restaurants, appealing museums and civic and cultural landmarks, taking with you lasting impressions of the spirit, vitality and tradition that characterize our city.

As a proud representative of the Houston area and Chair Emeritus of the Texas Legislative Black Caucus, I am deeply committed to promoting stronger economic and cultural relationships between Texas Botswana. Your Excellency's leadership and vision for sustainable development and global cooperation embody the very principles this Forum seeks to advance. Your participation would be an immense honor and a powerful symbol of the enduring friendship and partnership between the Republic of Botswana and the State of Texas. It would also underscore Botswana's emerging role as a model of stability, innovation, and opportunity on the African continent.

We would be privileged to welcome you and your distinguished delegation to Houston for this milestone event and to explore the vast potential for collaboration between our regions. Please accept, Your Excellency, the assurances of my highest consideration and esteem.

Respectfully,

Ron Reynolds
