- (d) You are aware and expressly approve that the Firm will be engaging Joseph J. Forcier II as a litigation consultant in this matter.

- (h) The Firm hereby confirms and warrants that, for the performance of the services falling within the scope of this Agreement, it possesses sufficient in-house expertise and resources and does not require the engagement of any external counsel, advisers, consultants or other third parties that may give rise to additional costs.

In the event You request the Firm to perform services which are outside the scope of the anticipated legal services, we will discuss such services with You in advance and will notify You whether such services require an additional fee (whether flat fee or hourly). Any such out-of-scope services shall be undertaken only pursuant to a separate written agreement, duly executed by the relevant parties, setting out the scope of such services and the applicable fees. To the extent any matter we are handling for Your concerns other areas of expertise, we may call upon or refer You to other qualified parties (e.g., counsel in a foreign jurisdiction) but will not seek to retain any other individuals in a representational capacity without Your explicit prior approval. All costs and fees incurred with regard to such outside counsel shall be Your sole responsibility.

When establishing our Fee for the services that we render we are guided primarily by the time and labor required. However, we also consider other appropriate factors, such as the novelty and difficulty of the legal issues involved; the legal skill required to perform the particular matter; the time-saving use of our internal resources (including applicable research, analysis, data and documentation) that we have previously developed and stored electronically or otherwise; the fee customarily charged by comparable firms for similar legal services; the amount of money involved; the risk and results obtained; and any time constraints imposed by either the client or the circumstances. Despite our reasonable efforts on Client's behalf, we cannot guarantee the outcome or success of any matter, project or transaction for which we render services.

You agree to pay, for all out-of-pocket expenses or disbursements made on Your behalf, including, for market studies, data providers, or any other third-party providers as deemed by Firm as necessary, filing fees, service of process, courier services and travel expenses incurred without deduction from any monies remitted to You. For the avoidance of doubt, no out-of-pocket expenses or disbursements will be incurred without prior explicit email consent from You to the Firm.

Responsibilities of the Parties: We will take reasonable steps to keep You informed of the material progress and material developments of the matters for which we render services on Your behalf, by way of monthly written reports, and to respond promptly to inquiries and communications from You. You agree to be truthful with us, to cooperate, to keep us informed of any relevant information and relevant developments which may come to Your attention, to abide by this agreement, to pay our bills according to the fee arrangement above and to keep us advised of Your address, telephone number and whereabouts.

Potential Conflicts of Interest: From time to time Your activities may involve other clients represented by the Firm. By signing this letter, You acknowledge that we have disclosed to You that we represent clients who directly or through an affiliate may be adverse parties to You in current or future matters. Corvus and Robert Garson shall not act for any such clients in any matter related to Your matters, or in which You have a direct interest, without first making appropriate disclosure to You and obtaining Your prior written consent. Additionally, subject to such consent where required, You acknowledge that You have no objection to our representing such clients in connection with matters unrelated to Your direct matters. This consent does not apply to any matter in which You have a direct interest. Further, this consent does not permit us to use any confidential information obtained during our representation of You in any matter.

Continuation Page

Given the scope of our business and the scope of our client representations through our various offices in the United States and abroad, it is possible that some of our present or future clients have or will have matters averse to You while we are representing You. Corvus and Robert Garson shall not act in any matter that is substantially related to our services to You, or in which You have a direct interest, without first making appropriate disclosure to You and obtaining Your prior written consent. Subject to such consent where required, we understand that You have no objection to our representation of parties with interests adverse to You and waive any actual or potential conflict of interest as long as those other engagements are not substantially related to our services to You.

We agree, however, that Your consent to such representation shall not apply, and shall in each case require Your prior informed consent, in any instance where, as a result of our representation of You, we have obtained proprietary or other confidential information of a non-public nature, that, if known to or used by such other client in any such other matter, would be to Your material disadvantage or potential material disadvantage. Accordingly, any waiver of conflicts in respect of matters unrelated to the subject matter of our services to You shall apply only where we have made appropriate disclosure to You and obtained your prior written consent, and we shall notify You in advance if we propose to undertake any matter that may be adverse to You, in order to allow You to consider if to grant such consent.

Similarly, new lawyers frequently join our firm. These lawyers may have represented parties adverse to You while employed by other law firms or organizations. Where such prior professional relationships give rise to an actual or potential conflict of interest in relation to our representation of You, we shall make appropriate disclosure to You and shall not continue to act without obtaining Your prior informed written consent, consistent with applicable ethical and professional standards.

No Guarantee / No Outcome Representation: Counsel makes no representation or guarantee regarding delisting, licensing, or any OFAC determination.

Non-Benefit to SDNs: All fees represent compensation for professional services and are not paid for the benefit of any blocked person.

Severability: If any fee provision were deemed inconsistent with applicable sanctions law, such fee provision shall be suspended to the extent of such inconsistency, and the remainder of the Agreement shall remain in full force and effect. No party shall be treated as in breach of non-payment of any fee suspended pursuant to this clause.

OFAC License Savings Clause: If an OFAC license is determined to be required for payment, the parties shall cooperate in good faith to obtain such authorization, and payment obligations shall be tolled but not extinguished.

Discharge and Withdrawal:

We only have the right to terminate our representation in the event of a material breach by You which, if capable of remedy, remains uncured following written notice and a reasonable opportunity to cure, at any time upon a thirty (30) days written notice. In the event that the Firm terminates this Agreement, the Firm shall only be entitled to the Fees and reimbursable costs accrued and properly incurred up to the effective date of termination. You may terminate this Agreement in the event of a material breach by the Firm which, if capable of remedy, remains uncured following written notice and a reasonable opportunity to cure.

Negotiability of Fees: You acknowledge that we have advised You that our Fees are not set by law and are negotiable between You and us and that You and we have discussed and agree upon our Fees as provided herein. In signing this agreement, You acknowledge that You have been advised to seek independent legal and business advice with respect to this agreement, and that You have either sought and obtained such advice or deliberately refrained from doing so.

Dispute Resolution: In the event any dispute arises concerning service by the Firm, the dispute shall be resolved through binding arbitration in Washington DC under the auspices of the American Arbitration Association (AAA) before a single arbitrator selected pursuant to, and operating under, the Commercial Arbitration Rules of the AAA as then in effect pursuant to the law of the District of Columbia. By executing this letter, You make a binding and final election to arbitrate in accordance herewith. The award of the arbitrator shall be final, conclusive and binding, and judgment thereon may be entered by any court of competent jurisdiction. The expenses of the arbitration shall be paid by the non-prevailing party, as determined by the arbitrator.

NOTICE: This engagement letter contains provisions requiring arbitration of fee disputes. Before Client signs this Engagement Letter, Client should consider consulting with another lawyer about the advisability of making an agreement with mandatory arbitration requirements. Arbitration proceedings are ways to resolve disputes without use of the court system. By entering into agreements that require arbitration as the way to resolve fee disputes, Client gives up (waives) its right to go to court to resolve those disputes by a judge or jury. These are important rights that should not be given up without careful consideration.

If any of the information in this letter is not consistent with Your understanding of our agreement, please contact us before signing this agreement. Otherwise, please sign the agreement where indicated below and return a copy to the Firm.

We are pleased to have this opportunity to represent You in this matter.
