Notice of Availability of a Draft Environmental Impact Statement (EIS)

Infrastructure Improvements at the Yap International Airport and the Yap Seaport

In accordance with the Compact of Free Association (CoFA), the U.S. Department of War (DoW) published a Draft Environmental Impact Statement (EIS) for infrastructure improvements at the Yap International Airport and Yap Seaport on April 14, 2026 (YAPT), initiating a 45-day public comment period. Public comments on the Draft EIS will be accepted through May 29, 2026 (YAPT). Comments related to historic properties as defined by the National Historic Preservation Act will also be considered as part of the cultural resources consultation process. The Draft EIS explains the purpose and need for the project, describes alternatives that were considered, and studies the potential impacts of making improvements to the Airport and Seaport and the means to minimize those impacts.

Proposed Action includes improvements, repairs, and upgrades to the Yap International Airport and Seaport for joint use by Yap State and U.S. DoW personnel to enhance U.S. obligations to provide for defense of FSM per the CoFA. The project includes five major project components:

1. **Yap International Airport Improvements**: *Runway extension, pavement replacement, aircraft parking apron and taxiway, improved stormwater management system, fuel storage, buildings and facilities, fencing, roadway improvements*
2. **Yap Seaport Wharf Improvements**: *Wharf deck replacement, new wharf, fencing and security, improved stormwater management system, electrical upgrades and lights*
3. **Colonia Harbor and Woneedaey Channel Dredging and Widening**: *Seafloor dredging; dredge material disposal and land reclamation at Seaport, Rull, and Tamil; dredge material made available for community reuse*
4. **Woneedaey Channel Aids to Navigation (ATON) Improvements**: *ATON replacement, new entrance channel range markers*
5. **Airport-to-Seaport Connector Road improvements**: *Repave roadways, drainage facilities, install sidewalk along Chamorro Bay road*
6. **Post-Construction Training**: *Up to two total training events per year at the Airport and/or Seaport*
