Appendix Response to Item 7

Item 7: Indicate whether the foreign principal is one of the following: Other (specify).

Non Profit Organization that searches for grants for the Ukrainian State Transport Special Service, of the Ukrainian Ministry of Defense (SSTS). Ukraine's version of the US' USACE.

Appendix Response to Item 11

Item 11: Explain fully all items answered "Yes" in Item 10(b).

Item 10(b) Supervised: I don't think supervise is correct. They do sit at the table to determine what SSTS is doing and then go try to find donor dollars to pay for the projects.

Item 10(b) Directed: As stated above, I don't think VMB is formally directed by SSTS, but because they are at the table they know what SSTS is trying to do and then they go try to find donor dollars to fund the projects. Trying to be safe here so I am going to say directed even if informally.

Item 10(b) Financed: I am certain they receive donor dollars from other UKR private donors. I presume that makes them foreign principles in the broadest sense. So yes. I do not believe they receive money from the UKR GOV

Item 10(b) Subsidized: I am certain they receive donor dollars from UKR private donors. But know they are do not receive money from the UKR GOV

Appendix Response to Item 8

Item 8: Describe fully the nature and method of performance of the above indicated agreement or understanding.

The agreement is designed to enable VMB to communicate it's mission, and role, with SSTS, in Ukraine, to USGOV elected and unelected officials who have an interest in supporting Ukraine's physical infrastructure needs viz the war and during reconstruction, which at some point in time will occur. VMB does not have the funds to open an office in the USA so they are paying us, frankly, a nominal amount of money to help them identify grants or other types of donor dollars in the USA. These include government grants or funds from organizations like USACE, DOW or USAID, and private donor dollars from NGO's and maybe even private for profit enterprise. They ask us to make initial communications with elected and unelected officials, execute Public Relations and STRATCOM activities, like holding conferences or meetings with the aforementioned officials. Frankly, that will only happen if they can fund the conference etc. and that is doubtful. Regardless, we have agreed to help them communicate with the USGOV and to forward their agenda with elected and unelected officials. We will use all means to do so to include social media. If we can help in theory they will pay for the help.
