Appendix Response to Item 5

Item 5: Each item checked above must be explained below in full detail together with, where appropriate, specific reference to and identity of the item in the registration statement to which it pertains.

This amendment corrects errors in Exhibit B to the Registration Statement submitted on October 2, 2026 for foreign principal Afghanistan Freedom Movement:

Item 9: The original entry was improperly formatted. It is reformatted as follows, with no change to its wording or substance:

"Lycos Magnus will advise the Afghanistan Freedom Movement on United States policy toward Afghanistan and represent its views to United States government officials. Planned activities include:
(1) meetings, calls and written communications with Members of Congress and congressional staff, including members and staff of the House Foreign Affairs Committee and the Senate Foreign Relations Committee;
(2) outreach to officials at the Department of State, the Department of the Treasury, the National Security Council and the White House;
(3) strategic media communications, including arranging press interviews and briefings for representatives of the Afghanistan Freedom Movement;
(4) preparing and distributing informational materials, such as briefing papers, talking points and press releases; and
(5) monitoring and reporting to the client on relevant United States policy developments.

All informational materials will be labeled and filed as FARA requires. Activities will be conducted in compliance with United States law, including United States sanctions law."

Item 10: The original entry inadvertently included draft and/or duplicated text, and should therefore be corrected as follows:

"The registrant will provide government relations and strategic media communications services to the Afghanistan Freedom Movement to influence United States policy toward Afghanistan, including United States engagement with Afghan political actors and United States economic and financial policy affecting Afghanistan. Activities will include meetings and communications with Members of Congress and congressional staff, including the House Foreign Affairs Committee and the Senate Foreign Relations Committee; officials of the Department of State, the Department of the Treasury, the White House and the National Security Council; and members of the media, including arranging interviews and briefings for representatives of the Afghanistan Freedom Movement. The registrant will prepare and distribute informational materials, including briefing papers, talking points and press releases, and will provide strategic advice and monitor relevant policy developments."

These errors were inadvertent and were made in the original filing. For the avoidance of doubt, the detailed corrections do not reflect any change in the facts since that original filing.

Items 11 and 12 are corrected as set forth on the following page.
