Memorandum of Understanding

BETWEEN

The Truth and Conciliation Commission, partner organization

International Federation for Rights and Development, partner organization

The Hon. Cori Bush of Cori Bush Enterprises, independent contractor

1. PURPOSE

This Memorandum of Understanding outlines the roles, responsibilities, and commitments of the Parties participating in this project. The Parties listed above have participated in the development of a collaborative campaign of truth-telling, observation, and advocacy with American Palestinian farmers and residents affected by settlers in the West Bank. The Parties agree to the project narrative and budget as outlined below.

Furthermore, while work in Palestine remains central to the purpose of this agreement, the Parties may, by mutual written consent, expand the scope of their collaboration to include other priority regions and causes as identified by IFRD.

2. DESCRIPTION OF PROJECT PARTNERS

The Truth and Conciliation Commission (TCC) exists to identify, examine and dismantle race and racism in the United States to build a more equitable, inclusive and justice-oriented society and world. Through educational workshop facilitation, testimonial gathering/storytelling, and transformational change we uncover, examine and redress the historic and sustained acts and pillars of structural and systemic racism in order to create a process of truth and conciliation at local, institutional and structural levels.

The International Federation for Rights and Development (IFRD) is an independent, Belgium-based non-profit organization dedicated to promoting human rights and sustainable development. IFRD actively engages with EU institutions, policymakers, and civil society to support the development, implementation, and monitoring of policies and frameworks that uphold human rights and international legal standards.

The Hon. Cori Bush is a wife, mother, pastor, former nurse, author, and activist from the Ferguson Uprising who is a leading international voice for human dignity and

self-determination. In 2020, she defeated a 52-year political dynasty to become the first Black woman and first nurse to represent the state of Missouri in the United States Congress on a mission to save lives; in 2022, St. Louis sent her back to Congress with a strong mandate to champion racial, economic, reproductive, gender, health, and environmental justice. In October 2023, she introduced the infamous Ceasefire Now Resolution to end the ground invasion in Gaza and was unseated months later in the 2nd most expensive US House primary race in history because she stood up for Palestinian lives. Regardless of title or position, Bush remains mission driven as a preeminent leader for the human rights of all people, domestically and abroad.

The TCC, IFRD, and The Hon. Cori Bush have found that the lived experiences of Palestinians of diverse citizenry have been globally silenced as it pertains to life under occupation in the West Bank and Gaza. Consequently, we find it incumbent upon us to bear witness to and amplify their narratives for U.S. and European communities.

3. ROLES AND RESPONSIBILITIES

The TCC will engage with The Hon. Cori Bush as an expert independent contractor to coordinate fact-finding delegations on behalf of TCC and IFRD to Palestine in the interests of elevating the narratives of Palestinian farmers and residents with settlers in the West Bank and other occupied territories.

The TCC will invoice IFRD grantor monthly for IC retainer and administrative fees.

The TCC will disperse retainer payment to IC.

IC–The Hon. Cori Bush acts on behalf of the TCC and IFRD to carry out the following Scope of Work.

The Scope of Work includes the following:
1. Congressional and Political Outreach
